

# Project

Due on: 11/25/19

Go over the questions that are circled on the attached Review form K, write out your work to justify each of your answers for all questions. Return your hand-written or typed work to me before or on the due date. This project is worth 10 points and your score in this project will be applied to your score on Quiz 1.

Thursday November 14 no class (I will travel to a Conference) next class will be on Monday November 18.

Prof. Ivan Retamoso
